The Bells of St. Mary's
They always shall guide us,
In all of our sorrows,
Our victories, and hopes,
For we will be faithful,
To all you have taught us,
To live for truth,
To trust in God,
St. Mary's Hail!

The school year 1967-1968 marks the beginning of the second century that the Christian Brothers have operated St. Mary's. For one hundred years the Christian Brothers have instilled the ideal of the "St. Mary's man" in the minds of thousands of young men. From the first St. Mary's in San Francisco to the old "Brick-pile" in Oakland to the present site of Saint Mary's College High School in Peralta Park the spirited tradition of Christian Brother education has been maintained by generations of students and faculty. At the time of this centennial we wish to pay tribute to the efforts and accomplishments of the Christian Brothers in the past century and to look forward to the continuing success and progress of St. Mary's College High School.

Dedication

By definition, principal, means 'one who takes the lead'. Brother Mel has more than taken the lead here at Saint Mary's. Under his leadership Saint Mary's has taken on a unique quality of being—not only a school of academic excellence, but also a school stressing cultural experiences. Brother Mel has worked long and hard seeking and bringing the best in cultural events to Saint Mary's. This was to insure the student a many-faceted view of the world. Under Brother's guidance, a successful tradition has been established in the form of the Concert Hall program: an event which belongs among the high points of the cultural year. It brings to the students the beauty of yesterday's and today's popular music. Last year the second step was taken. A musical group from Alemany High School, Los Angeles, performed to the applause and praise of the student body. This year, in conjunction with the San Francisco Opera Company, **The Barber of Seville**, was presented to the entire school. This was the first opera ever performed at a high school in the Bay Area. It met with instant success.

Other events have taken place at school that were more than just cultural and academic in nature. During the past two summers, workshops designed to start the school off well were held for the student leaders. Discussions ranged from organization responsibilities and activity plans to reformation of student government, all under the watchful concern, interest and advice of Brother Mel. Brother Mel has done more than his job in the field of leadership. Through many meetings with faculty and student advisory boards, Brother has helped to select and set up classes that would not only prove to be of benefit, but interesting and varied.

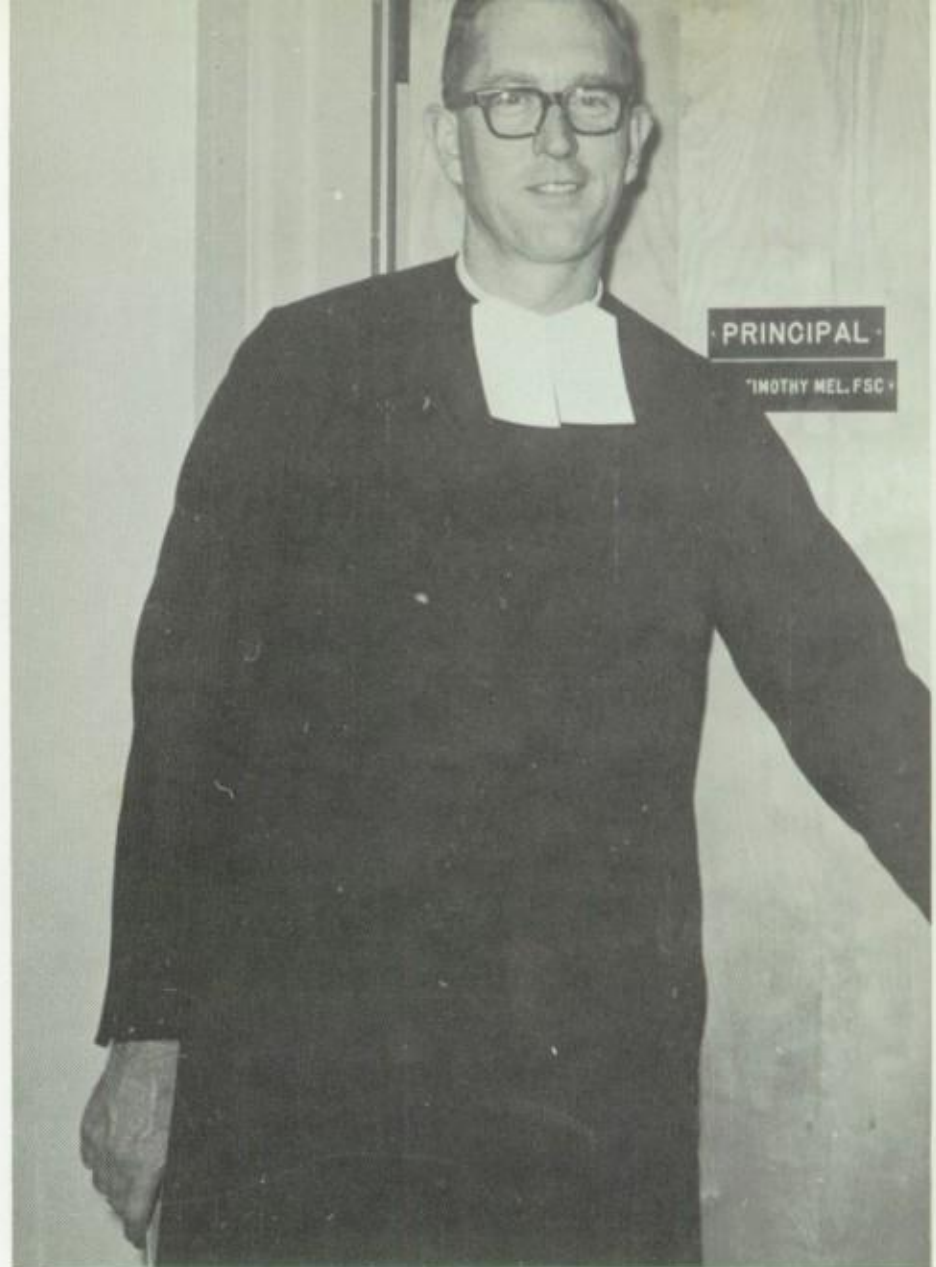

Brother Mel has done more for the spirit of Saint Mary's than any other one person. He has helped to make us proud of our school, and proud of our efforts, academic and extra-curricular, in continuing and expanding the excellent reputation of St. Mary's College High School.

For these reasons, the faculty and students of St. Mary's College High School, in this centenary year of Christian Brothers' education at St. Mary's, proudly dedicate the 1968 Peraltan to Brother T. Mel Anderson, F.S.C., M.A.

ORGANIZATIONS

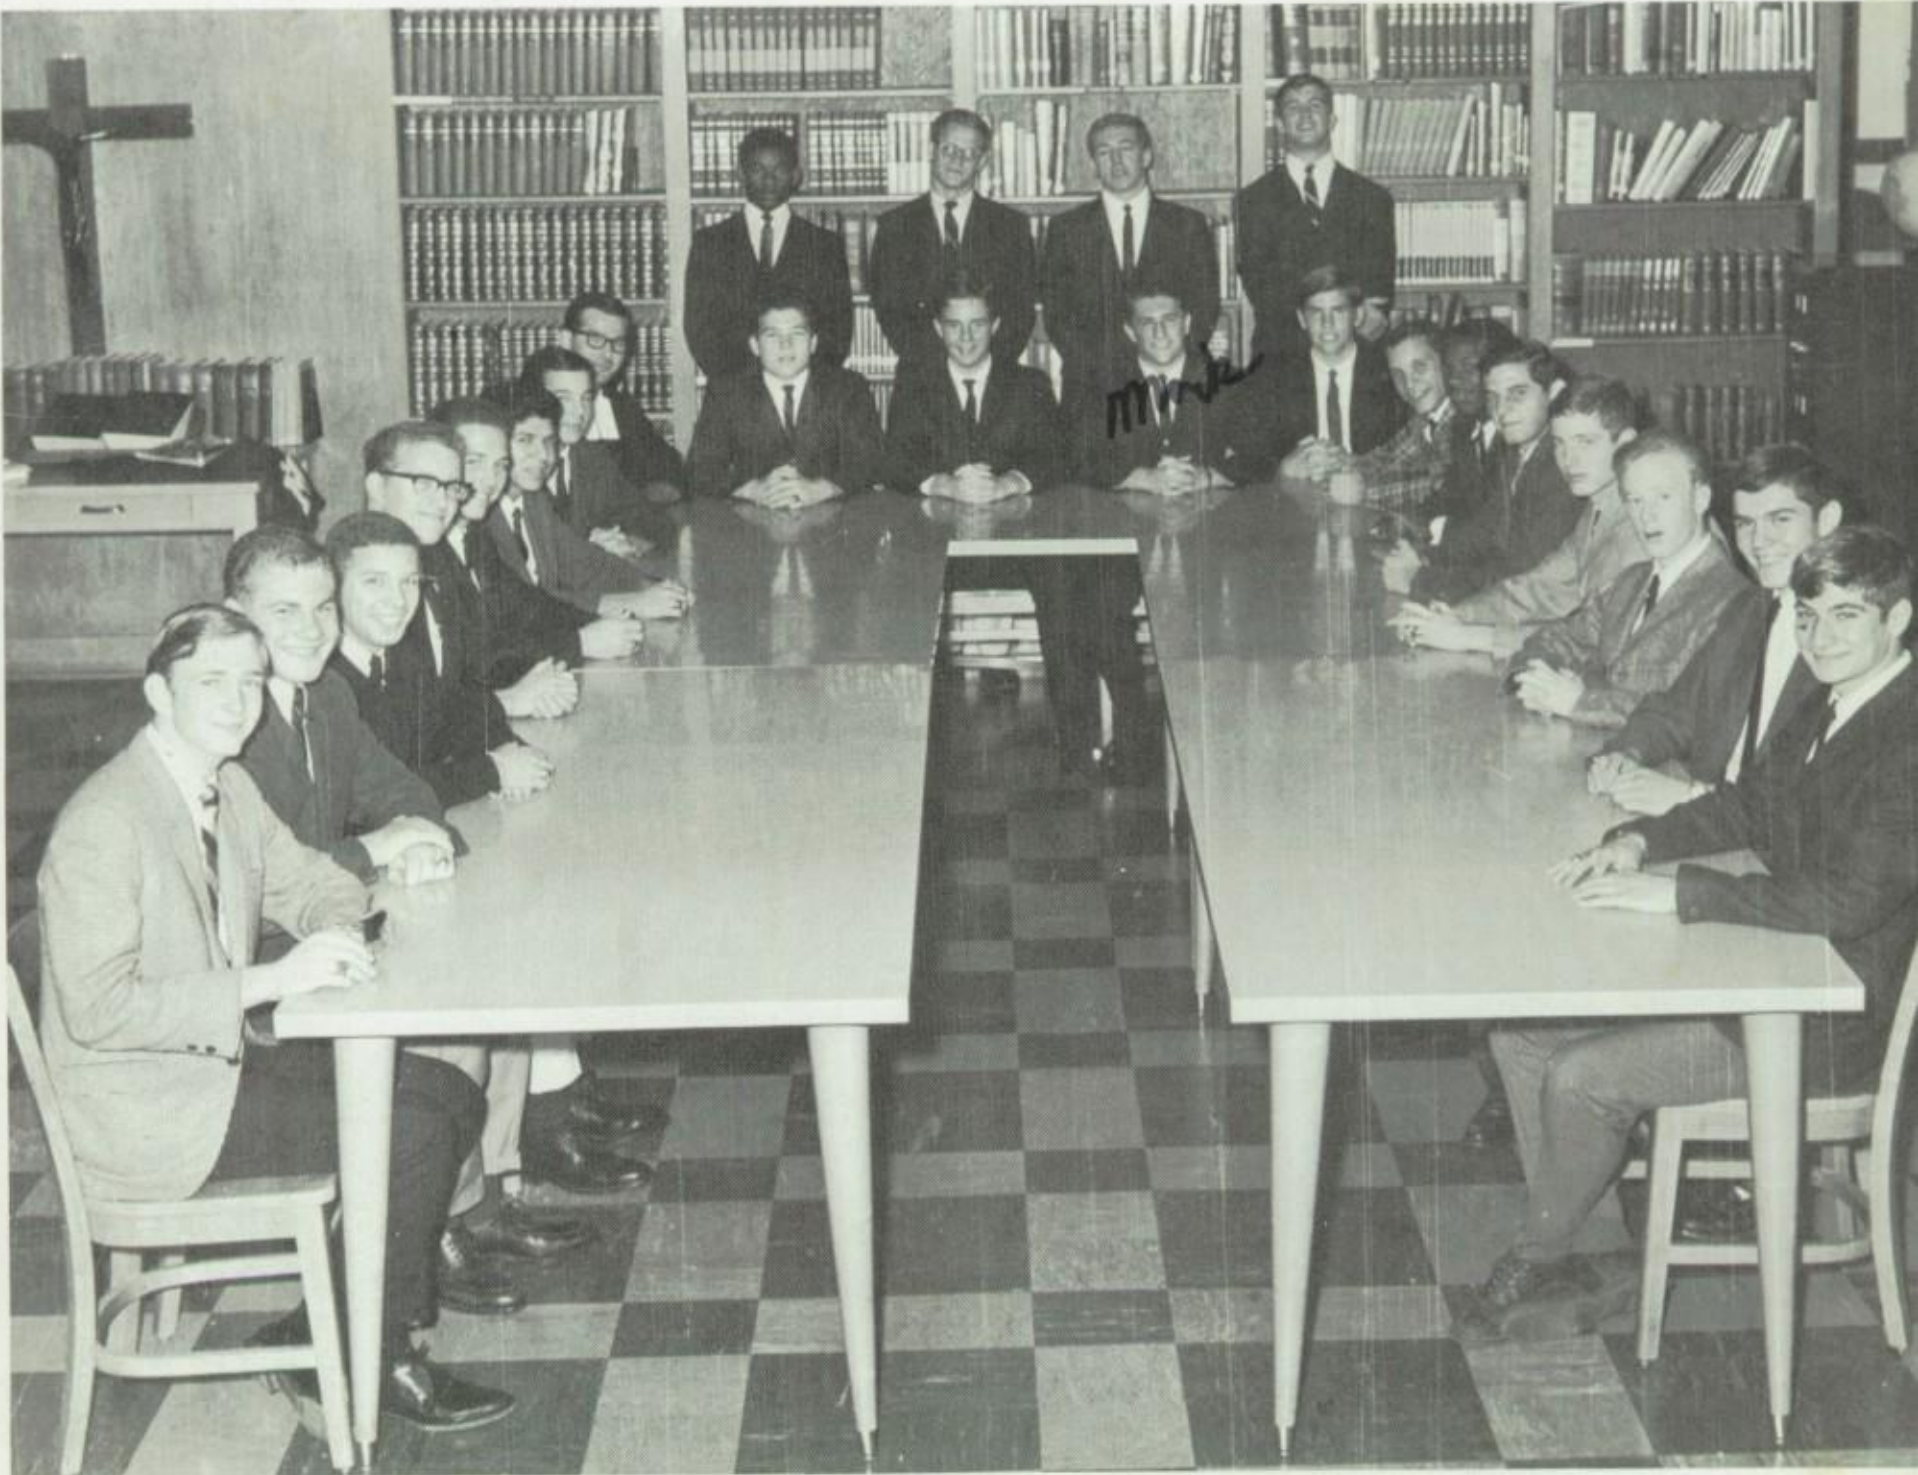

The varied organizations of St. Mary's present the student with a challenge to which he can devote his energies.

It is through these activities, as well as conscientious study in the classroom, that the ideal of the St. Mary's man, as envisioned by the Christian Brothers, is achieved.

Student Council

Jim Andrews, Jon Ruffato, Gary Negherbon, Mike Shea, Ernie Portal, Jesus Ruiz, Marty Woodfin, Br. Ronald Roggenback, F.S.C., **STANDING:** Greg Maxie, Randy Andrada, Don Bruschera, Bill Doherty, Ken Zanatto, Bob McGuinness, Mark Ferrari, Mark Welsh, Tim Traverso, Winston Owens, Mike Gorman, Dan Curry, Steve Woodson, Bill Gray, Jay Conroy.

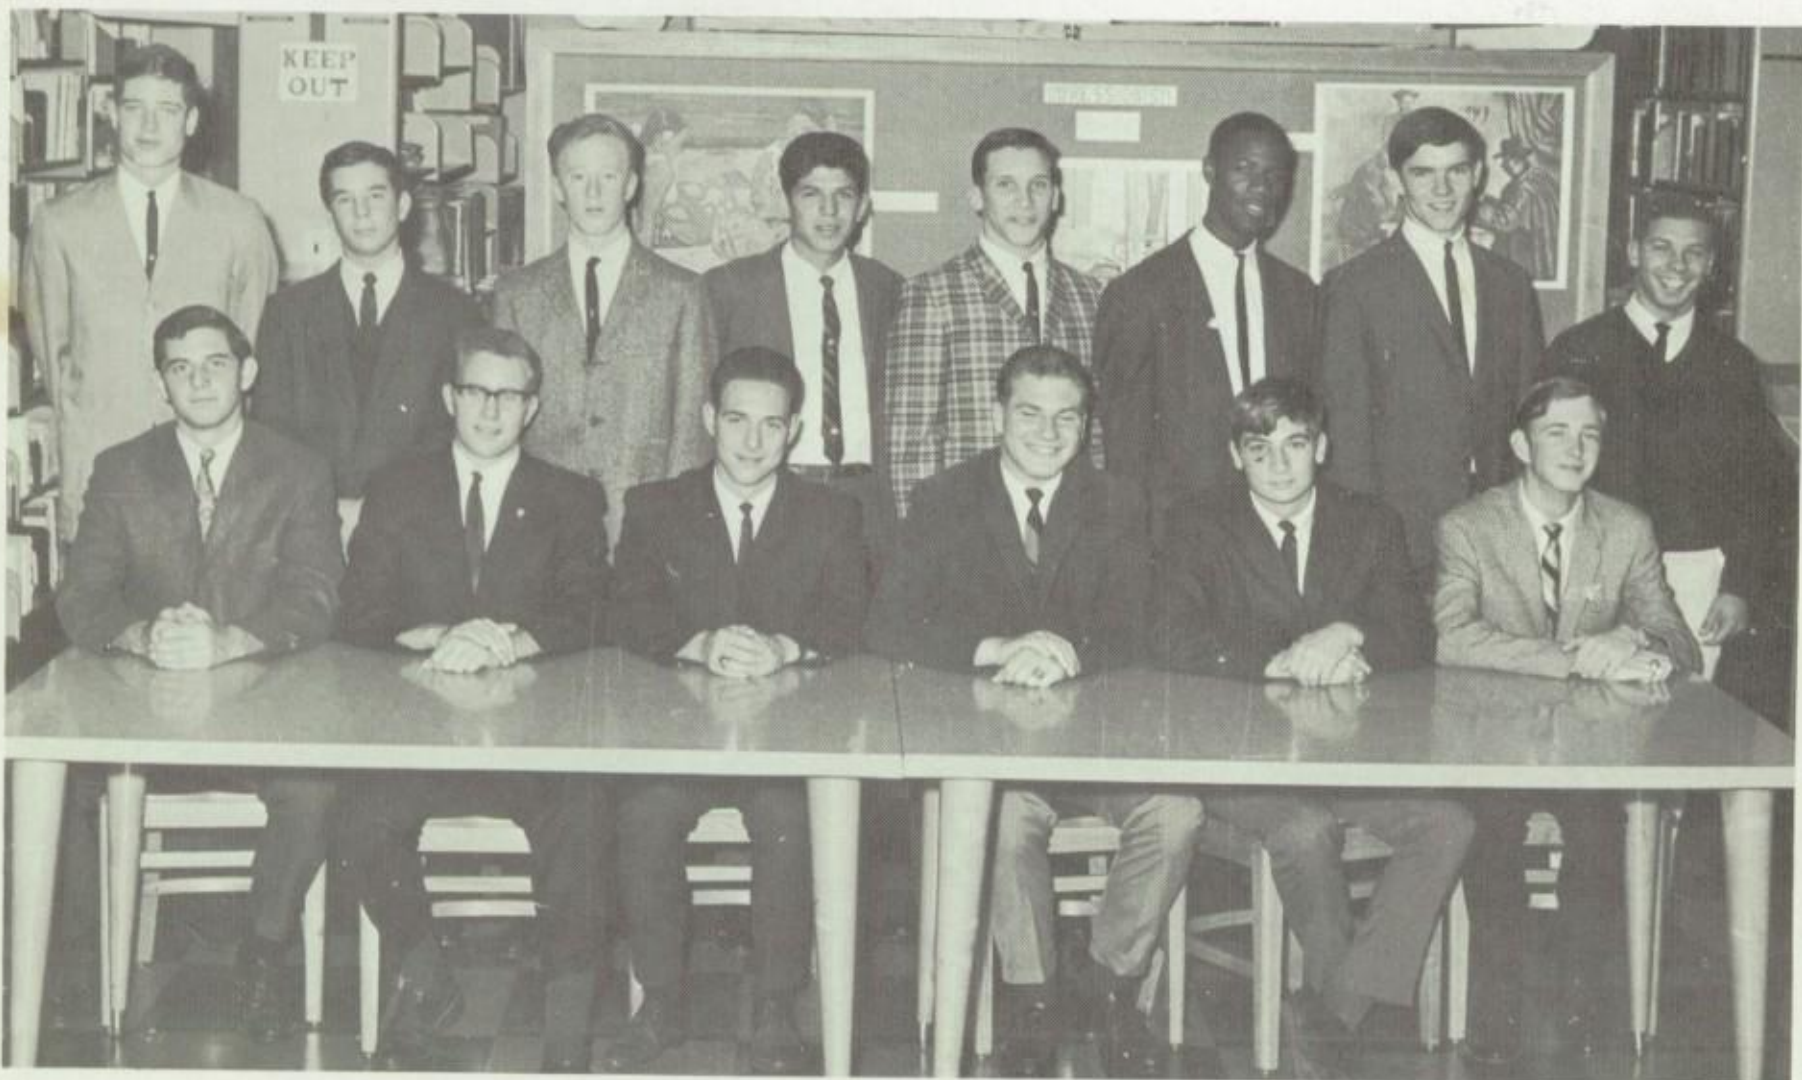

The student council has as its aim the coordination and encouragement of student activity. It particularly develops student responsibility, initiative, and leadership. The student council is composed of the student body officers, presidents of the classes, and representatives from recognized organizations. The student council is the major organization responsible for the management of student body activities. The legislative and executive powers which it holds are granted by the Principal and guided by the Dean of Student Activities.

Executive Council

Greg Maxie, Ken Zanotto, Don Bruschera, Moderator; Br. Ronald Roggenback, F.S.C., Mark Ferrari, Bob McGuinness, Randy Andrada, Mark Welsh, Bill Doherty.

National Honor Society

Saint Mary's College High School holds membership in the National Honor Society as the Peralta Park Chapter. All students with a 3.0 or better semester grade point average are eligible. Students are not expected until their sophomore year. Those second semester freshmen who qualify can only be honorary members. Members are entitled to participate in the National Honor Society Scholarship program on the basis of their scores on the Preliminary Scholarship Aptitude Test, administered in October of each year. The Peralta Park Chapter in 1968 was under the leadership of its president, William Gray and its moderator, Mr. John Filipelli.

Home-coming "67"

Homecoming Queen of 1967 Casey McClenahan and escort Randy Andrada

The Queen and Her Court: Junior Princess Peggy Hoffman, Senior Queen Casey McClenahan, Sophomore Princess Monique Mendoza, and Freshman Princess Barbara Trantina. Escorts are: John Hamrick, Randy Andrada, Terry McGlynn, and Bill Doherty

Senior entry gets some attention from the fans. Or is it the Queen?

Homecoming '67

The festive Homecoming spirit at St. Mary's was felt weeks before the actual occasion. The day itself began with the game between our Panthers and the Mitty Monarchs. It is sad that the Panthers lost, for they certainly played a fine game. Morale was high at halftime, though, as the band struck up and the floats and princesses were presented to the spectators. Much work was put in to each float but the sophomores stole the honors for first place.

The climax of the day was the Homecoming Dance that evening. During the dance, Casey McLanahan was chosen the "Belle of St. Mary's". The Queen summed up everyone's feelings when she replied, "I'm ecstatic."

SENIORS

In 1867 the Christian Brothers accepted the responsibility of running the old St. Mary's; in 1967 the present senior class of 1968 took the responsibility of leading the St. Mary's student body, organizations, and activities. The seniors bridge this gap of one hundred years as they lead the school into its second century of achievement, enrichment, and progress. The Class of '68 marks the first class of Century II of the Christian Brothers Era at St. Mary's; it represents, in the fullest sense of the words, the maturity and leadership attributed to the "St. Mary's man."

A very important part of student life is school spirit. The Junior's spirit is very high this year, and they have contributed much to the over-all spirit of the student body by offering keen competition at rallies, and supporting the teams at games.

A first at Saint Mary's was the Junior Ring Mass. At this mass the Junior class rings were blessed. Combined with this mass was the celebration of the canonization of Brother Beinilde, the first Christian Brother to become a saint.

SOPHOMORES

The sophomore year is one where the student becomes more involved in the mainstream of St. Mary's life and grows with the experience gained from his more active participation.

Just as St. Mary's High, under the guidance of the Christian Brothers, has grown from its simple beginnings, so too does the sophomore build upon the foundations laid in the freshman year.

Tom Mullarkey works industriously to finish Christmas decorations

Sophomores Lead in Extra — Curricular Activities

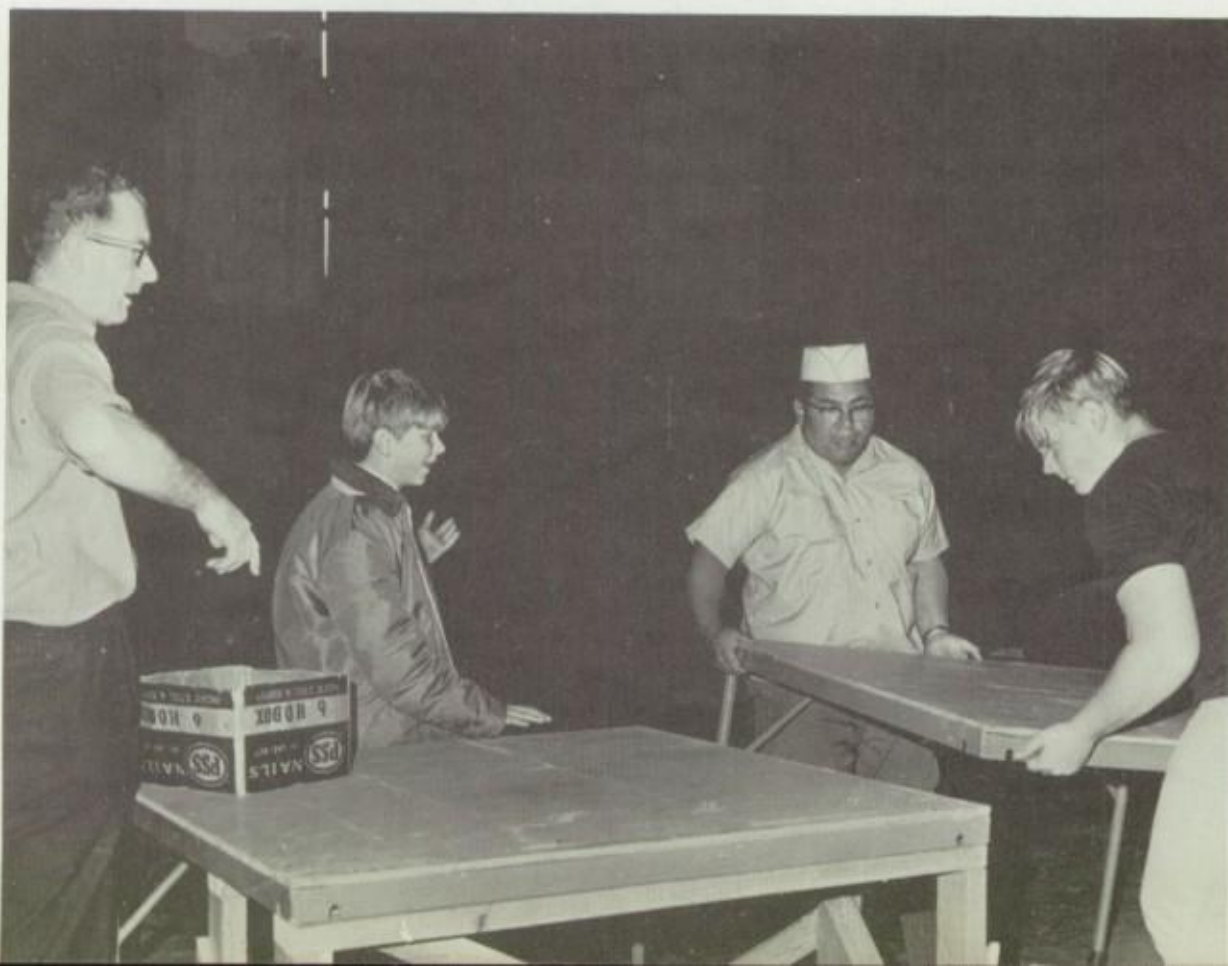

Sophs decorate center island with the Peanut Characters doing their Christmas play.

Sophomores sponsor the successful January dance and light show.

The Sophomore Class fittingly started off their new school year with the participation in a folk mass at the Sophomore Parents meeting that was held in the gym on September the twenty-sixth. They continued with their fine spirit at the rally before the Bellarmine bash. The Sophomores showed outstanding spirit as they would continue to do for the rest of the year. Homecoming finally rolled around and the Sophomores once again retained their supremacy in the float-competition by taking first place for the second year in a row. Their fine floats have yet to be rivaled by the rest of the school. A month passed and the activity-packed month of December appeared. The Sophomores responded and went to work. They gained an early lead in the food drive which they retained until finishing first after a disheartening finish last year when they were beaten in the final hours of the drive. December also marked the month for the annual Christmas decorations competition. The Sophomores decorated the center island using the Peanuts comic strip characters in their manger scene and in their animated ice ring in which Snoopy skated cheerfully around his house. An excellent job of decorating. At the resumption of classes after the Christmas vacation the Sophomores once again put their machinery into motion to prepare for the Sophomore-sponsored dance. The dance featured the Circuit and a great light show was given. The Sophomores continued their fine spirit this year as was expected of them after a successful freshman year. The spirit of the Sophomores was seen in all phases of Saint Marys High School life; Academic, Athletic and in Extra Curricular activity.

Brother Mel and Brother Benet direct Dave Sundstrum and Bill Kelley in setting up the stage for the Soph dance.

FROSH

“The Beginning Is the Most Important Part of the Work” — Plato

The freshman year is one of beginnings, of new friends, new teachers, and an introduction to the St. Mary's spirit.

For one hundred years the Christian Brothers have introduced our incoming freshmen to the ideal of the St. Mary's man and have pointed the way to attainment of that goal.

The frosh started out in 1967 with 154 pupils. They showed a tremendous amount of school spirit this past year, and established themselves in many organizations such as Yearbook, Rally Committee, Forensics, Model U.N., and Student Government. The freshmen had a very successful football and basketball season. They demonstrated success in the classroom, and followed the school's teams faithfully in large numbers throughout the year. With such a good beginning the class of '71 will continue the fine tradition of St. Mary's College High School through the years.

Varsity Football

If one was to look at the win-loss record of the St. Mary's football team, the season could hardly be considered a success. However, if one considers the purpose of a high school football team, the season of 1967 can still be justified. Of the thirty or so students who play varsity football every year only four or five go on to play college football, and an even smaller number will even try to play professional football. Therefore, the football program must provide something for those players who will not play football after they leave high school. This program should teach responsibility, dedication, and the value of working as a team.

On Sunday evening, August twentieth, seventy-two individuals came to St. Mary's to live in the dormitory for three days. These individuals had one thing in common; they were the select few from the student body who had the skill and the desire to participate in the football program. On the eighteenth of November, when those same individuals hung up their helmets for the last time, everyone wondered, "What have I accomplished?"

Then, as the year goes on, the player begins to miss the bull sessions before practice. He forgets the sweat and injuries of practice, and remembers only the accomplishments, and the pride of working as a team. Even more, he remembers the feeling of playing before the crowds, the pride in making a good block, tackle, or run and being cheered for it. He remembers the feeling of accomplishment when he beat the man in front of him. Ask any Saint Mary's football player if he would like to play the 1967 season over again or if he would rather start the opening day of school as just another student and he will say "If I could only start football over again."

After an unsuccessful first game against Napa the Panther Junior Varsity welcomed Albany High on September twenty-first to challenge the Cougars. The result was a very close game in which Saint Mary's edged Albany 6-0. The winning touchdown came when quarterback Gerry Notch passed to Bob Jones.

Again, on the thirtieth, our Panthers showed their fighting ability against Granada High in Livermore. Led by quarterbacks Eddie Flowers and Gerry Notch, Saint Mary's dumped the Matadors 14-0. Again Bob Jones scored both touchdowns. Ed Jones ran in for the extra points.

By far the best game of the season was against Saint Ignatius. It was played at S.I. on the twenty-seventh of October. From the start it was a game between the defenses. The Panther secondary held the Wildcats scoreless throughout the game. Tom Scott was accredited with 19 tackles and Rich Wilson with 14. Reed Paden and Bob Jones both made key interceptions. The outcome was a 0-0 tie.

Although the season's record could have been better, the Junior Varsity showed spirit and determination. We hope for a better season next year with several Frosh Lettermen coming up.

These two men molded the team to make an outstanding record of five wins and two losses, while the team itself showed spirit and teamwork. The best scorers of the season were Robert Allison and Paul Ferrari, with the team averaging out to about ten points per game. Other important offensive and defensive players were Tom Gormley, Mat Gray, Mike Conroy, Bob Macaya, Chuck Starkovich, and Richard Smedley.

Varsity— Alumni

On Friday night, Nov. 17, the Saint Mary's Varsity Basketball team began its season with a game against the Alumni. Even though the Varsity lost, the game was close all the way. The final score was 71-67. The Alumni consisted of such former S.M. greats as: Marc Jamison, Ron Trujillo, Jim Doherty, Jim Kellum, David Lott, James Penn, Billy Sapenter, Phil Wanlin and Larry Casey. With these fine players opposing them it is no wonder the Varsity didn't win. However, there were some Varsity players who managed to rack up a large number of points. Johnny Burks was high man for the varsity with 24, and Roger Newell was next highest, scoring 15. The team played well both from the field and on the boards. As seen at the annual varsity-alumni game, this years team has a great potential.

Roger Newell tanks two against a tough Alumni defense.

Saint Mary's— Moreau

The Saint Mary's Panthers opened the league season play with a decisive victory over the Mariners of Moreau, 71-40. The team showed the form that they hoped would carry them to the C. A. L. playoffs and then to the T. O. C. The Panthers looked exceptionally well as they controlled the game both on the floor and on the boards. High men were Johnny Burks with 17, Don Larkin who netted 13, Pete Kelly and Roger Newell with 10 and 11 respectively.

The second game was more of the same as the Panthers, who after a 1 point loss to St. Josephs were fighting mad, rolled to a 81-45 win on the home court. Johnny Burks hit for 23, Newell netted 14, and Kelly and Roy Rogers each had 10. Rogers, having a fine night, did a good job cleaning off both boards.

Burks (33), Kelly (13), Newell (31), and Larkin (41) all in the action under the board.

Saint Mary's— De La Salle

Before a record crowd the Panthers did just the right thing, they set a record. Playing a young and inexperienced De La Salle the Panthers set a record high with a 110-39 victory over the Spartans. Johnny Burks, Pete Kelly and Roy Rogers did an excellent job cleaning off both boards and keeping off any kind of Spartan offense. Roger Newell, playing his best game so far, bucketed 30 points. Also in double figures were Johnny Burks and Pete Kelly who had 24 and 23 points respectively. Winston Owens, who consistently plays well in the clutch, set the crowd wild when his ten foot jump-shot sent the Panthers into triple figures for the first time in Saint Mary's history.

The second game showed the bench strength of the Panthers. Playing in the new and beautiful De La Salle Gymnasium the Panthers played a much less aggressive game winning 87-47. Center Pete Kelly rebounding as well as blocking, led with 18 points. Close behind was Burks with 16, Newell with 14, and Don Larkin with 10. Surprise of the evening was Ron McMillian, who had 11 points in one quarter.

Roy Rogers lays one up between two Spartan defenders.

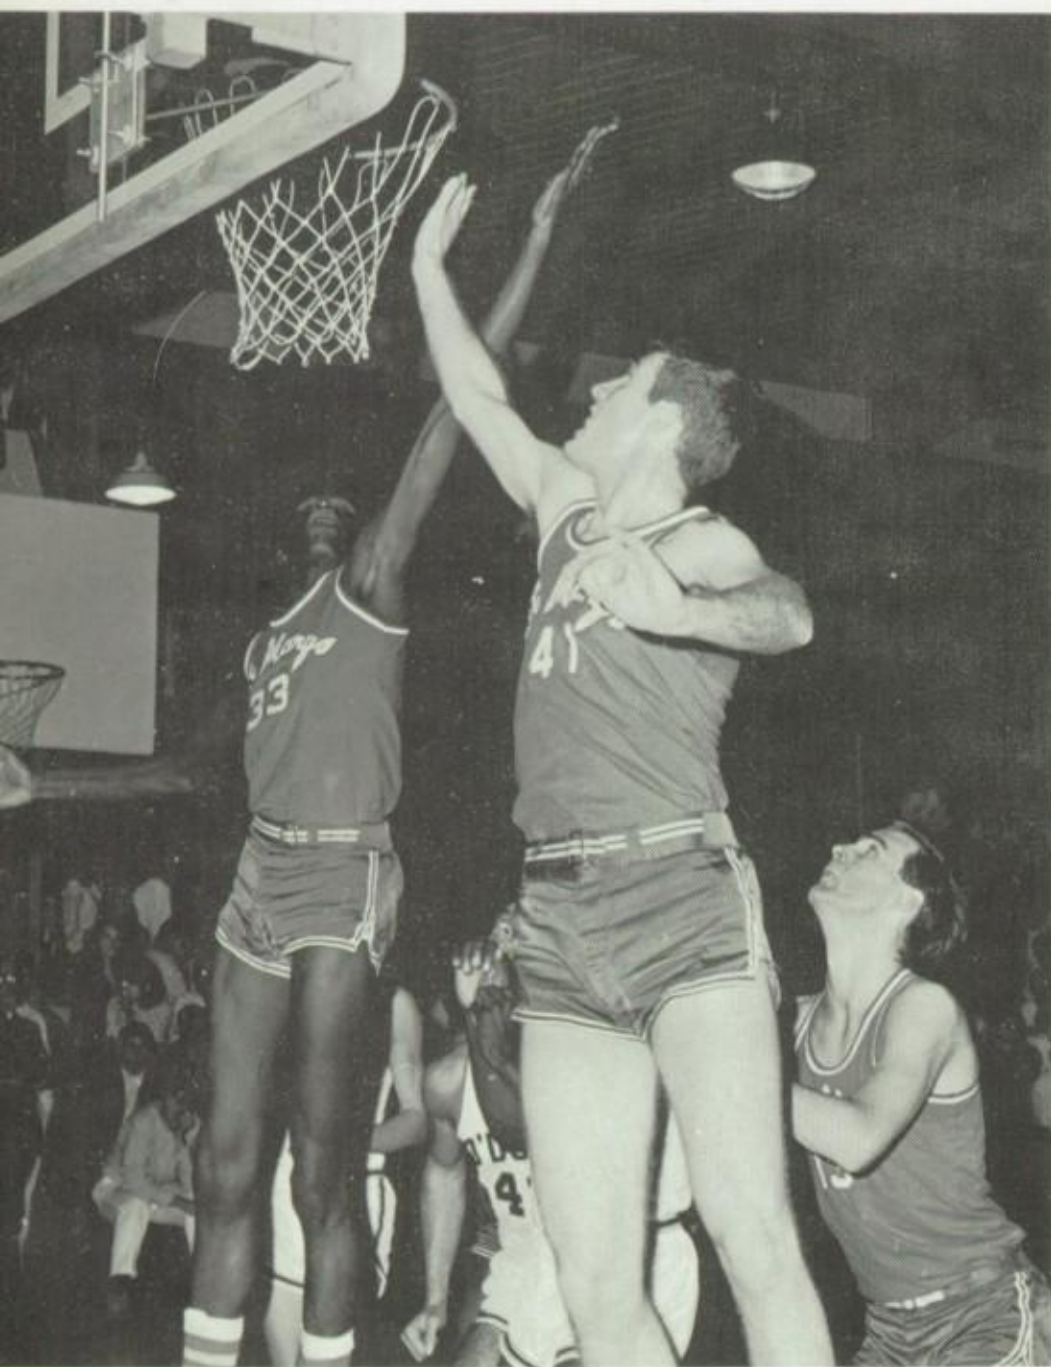

Harry Lane pops for two from the outside against De La Salle.

Saint Mary's — Bishop O'Dowd

On Jan. 13 the Saint Mary's Panthers invaded the Bishop O'Dowd Crackerbox for the traditional Bell game. The Panthers had their hopes high and were set to get the bell back. The game was hard fought and a halftime score showed a 35-35 tie. However, the O'Dowd Dragons had an explosive third quarter that found the Panthers down by 17 going into the final period of play. The Panthers fought back but had their rally cut short by the buzzer with the final score 67-72. Johnny Burks, who played an excellent game, netted 26 points and blocked a half a dozen shots. Don Larkin, who teamed up with Burks on rebounds, had 12 points.

The second game proved to be almost a complete duplicate of the first. The Panthers started hard and played that way the whole game. Revenge for the first game pushed the Panthers on. The halftime score showed a 37-35 Panther lead. But a cold fourth quarter killed their seven point lead. The final score showed a 67-72 victory for the Dragons. Pete Kelly, playing well inside, had 18 points. Close behind was Roger Newell and Johnny Burks who had 17 and 16 points respectively. Burks played keen defense blocking 10 shots.

Johnny Burks (33) and Don Larkin (41) team up for a tip-in.

Johnny Burks jumps high over O'Dowd defender for two points.

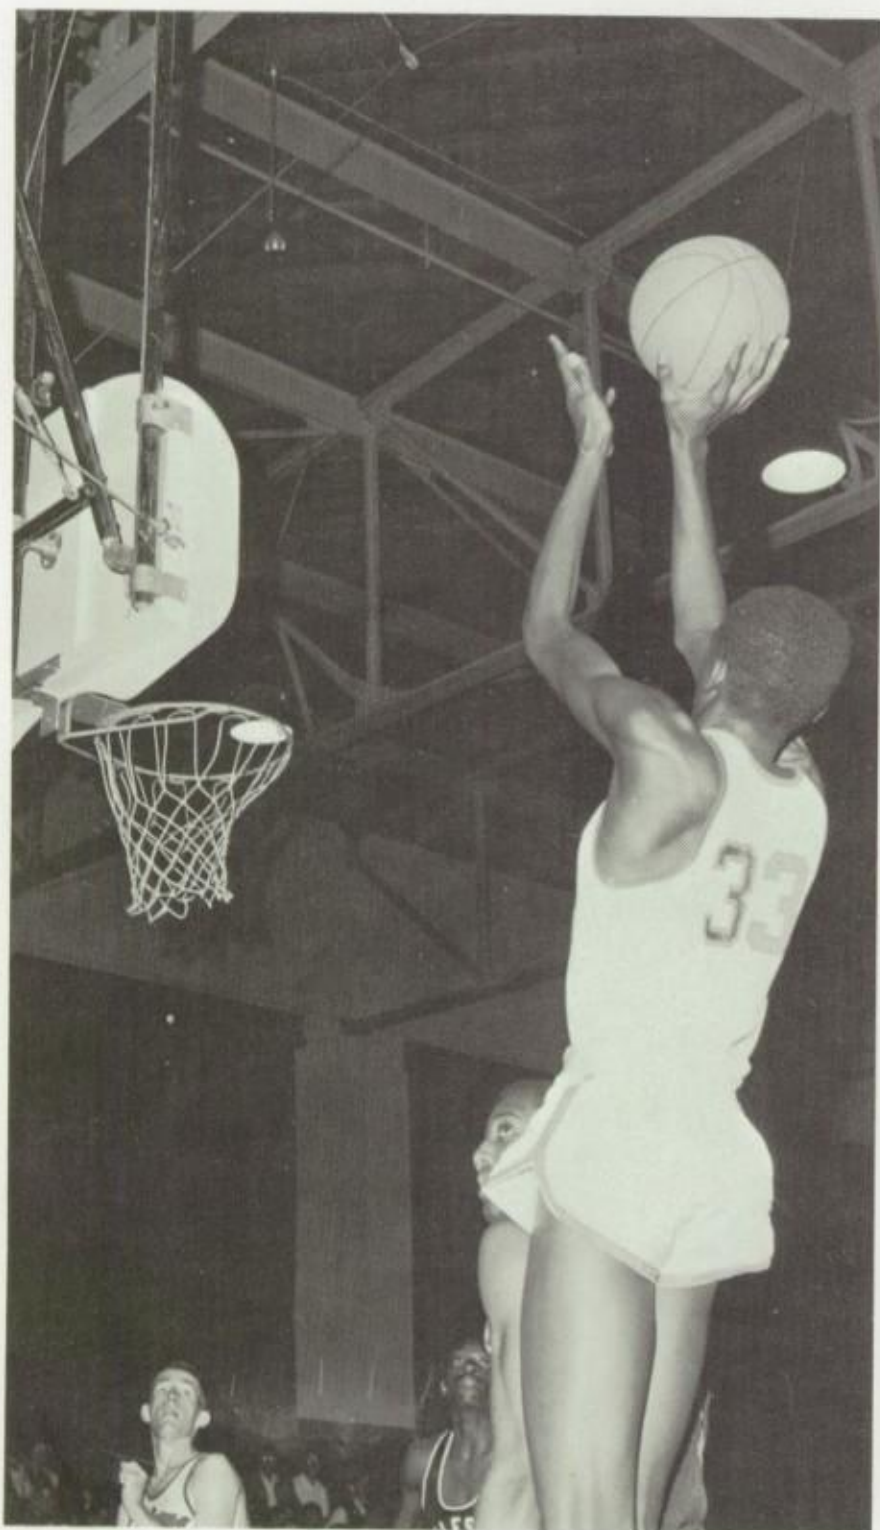

All alone in the corner, Greg Murray sets for an easy two.

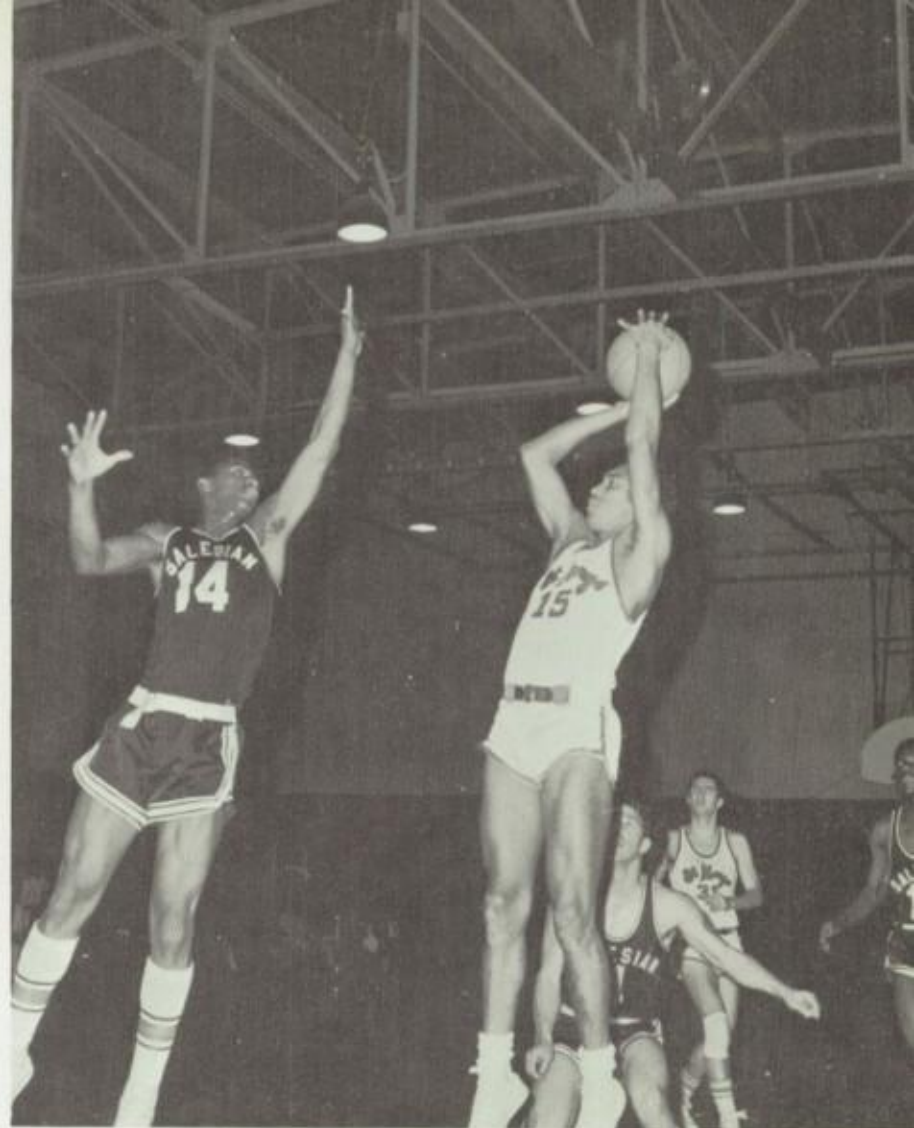

Saint Mary's— Salesian

After the hard fought loss to O'Dowd, the Panthers were fighting mad. They were not to be denied victory this week-end. They played a determined Salesian in the Saint Mary's fieldhouse, winning in exceptional form 78-60. Johnny Burks, having a second 20+ game in as many nights, had 27 points. Roger Newell, after a cold night against O'Dowd, pumped in 15 and center Pete Kelly, whose rugged boardwork helped kill the Salesian offense, tanked 15.

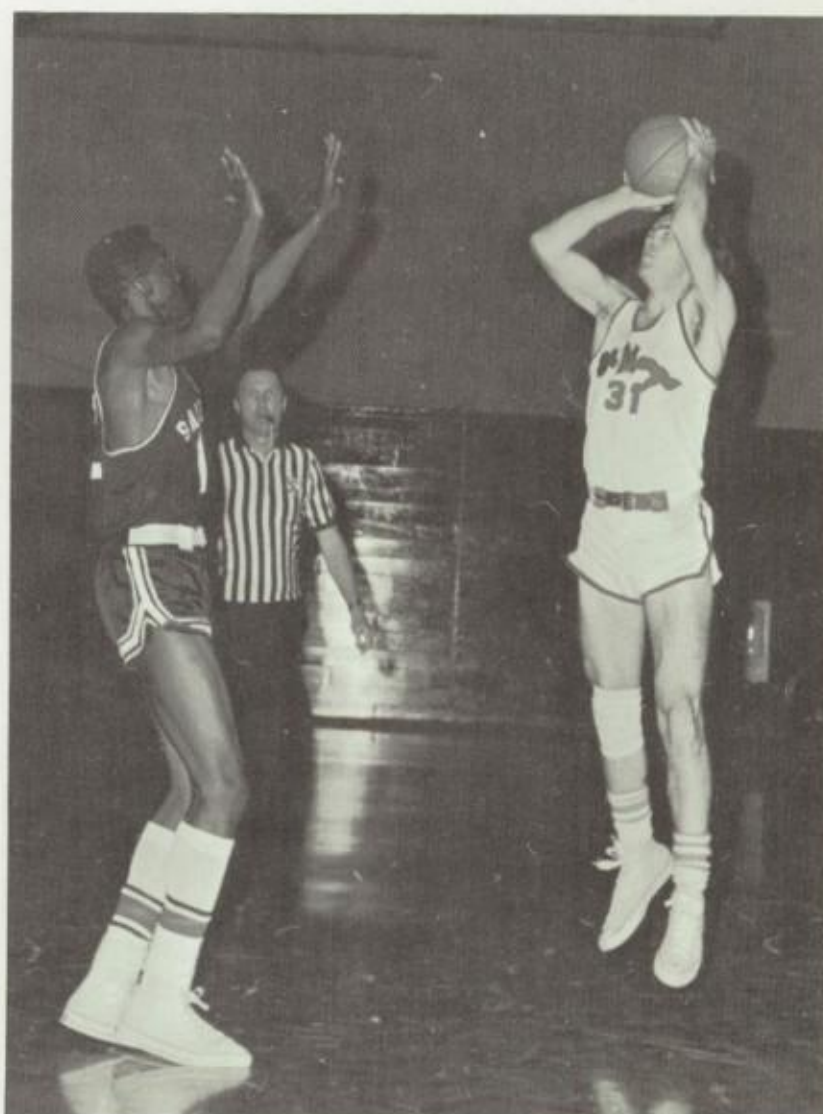

The second game proved to be even a bigger thriller. The Panthers, like Salesian, had to win this game to stay in contention. The Chiefs were fresh off a victory over first place St. Josephs and promised to be tougher than in the first meeting. But Roger Newell, having a fine night from the field, hit for 20 points and Pete Kelly swished for 17. Johnny Burks and Kelly did a superb job on defense.

Johnny Burks goes for two as he is all alone in the air.

Ken Bankston leaps high for a clear shot against Salesian.

Roger Newell sets a good jumper, netting two points.

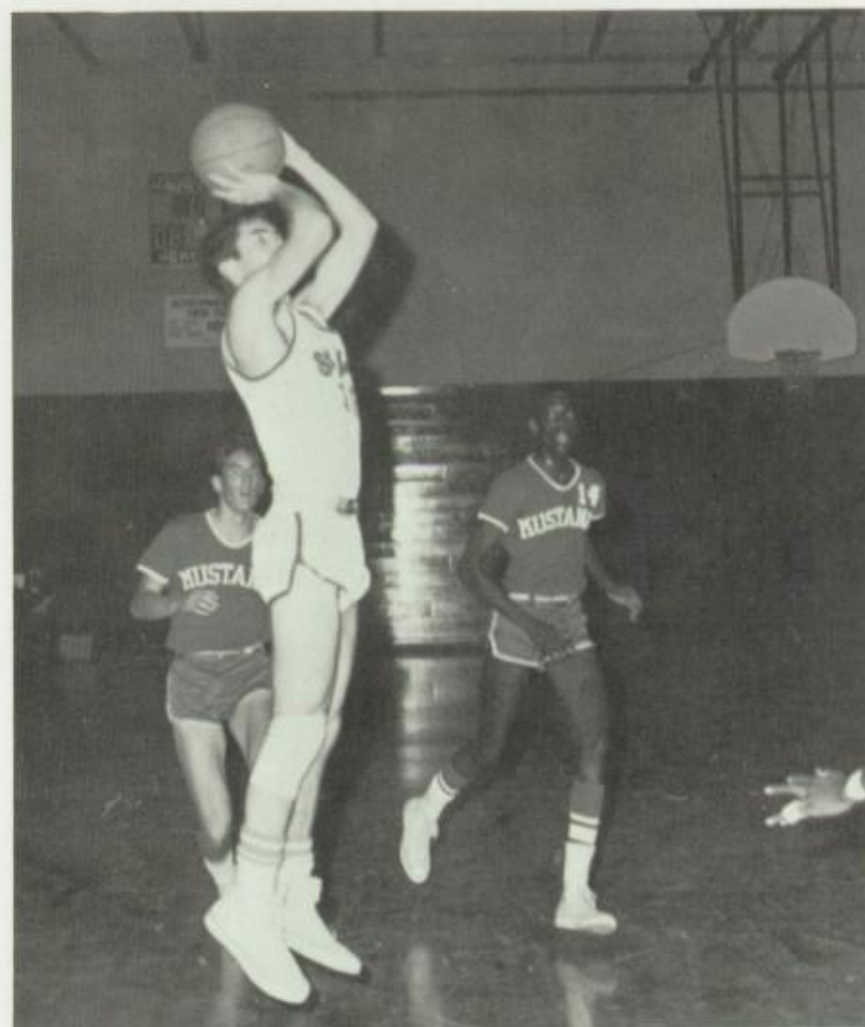

Saint Mary's — Saint Elizabeth 's

The Panthers, home for a shot at St. Elizabeths, were out to avenge the Mustang's 71-55 victory that stopped them from capturing the St. Elizabeths Tourney. However the Panthers, showing their coldest game of the season, couldn't get their offense started and lost 55-71. The defense held well and had the scoring potential been at its usual mark the game would have had a different outcome. Only two men reached double figures. Johnny Burks, having a good defensive night, had 16, while Kelly, hitting well under the basket, bucketed 11. The second game was quite different. The Panthers, playing in the opponent's gym, were very hot. They left no doubt in anyone's mind that they wanted to be number one. The final score showed a 55-48 Panther victory. Roger Newell, after a cold night against the Mustangs in the first game, hit for 26, while Kelly and Burks had 15 and 12 points respectively.

Johnny Burks snatches a rebound from a determined, but unsuccessful Mustang.

Pete Kelly goes high to make a impossible tip-in against two Mustang defenders

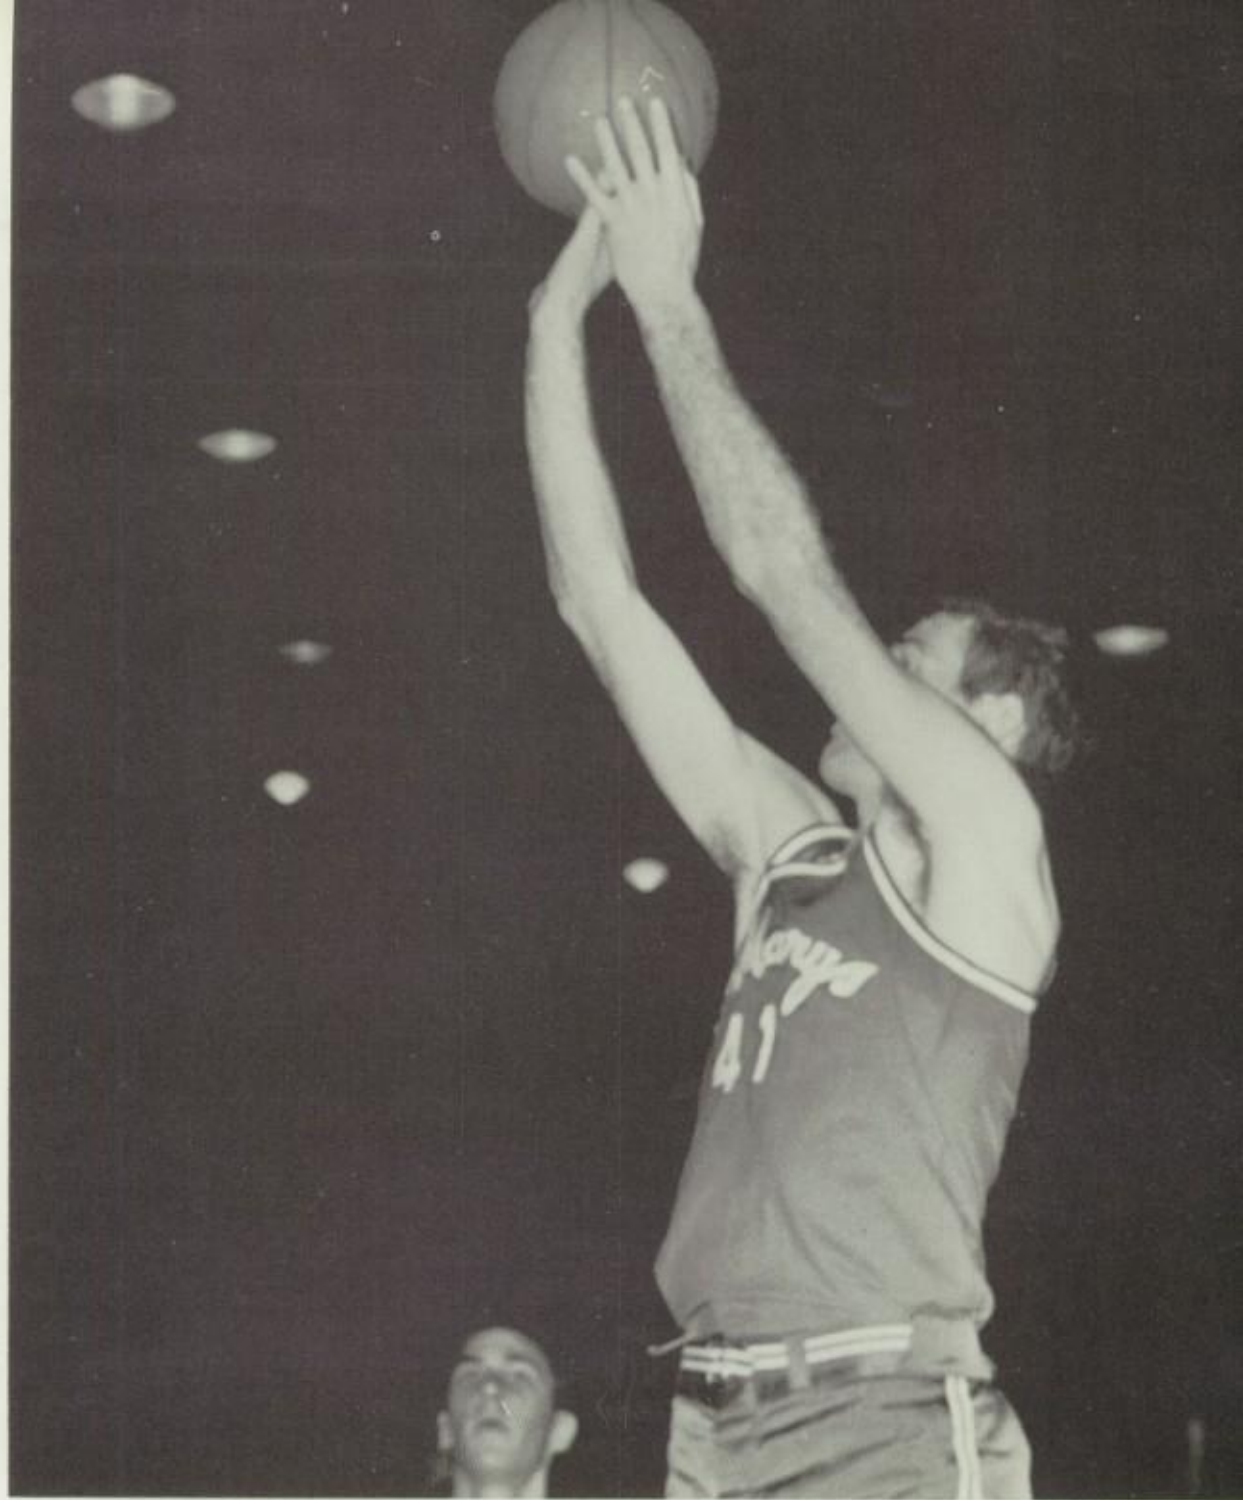

Roger Newell tanks two with a perfect jump shot.

Saint Mary's— Saint Joseph's

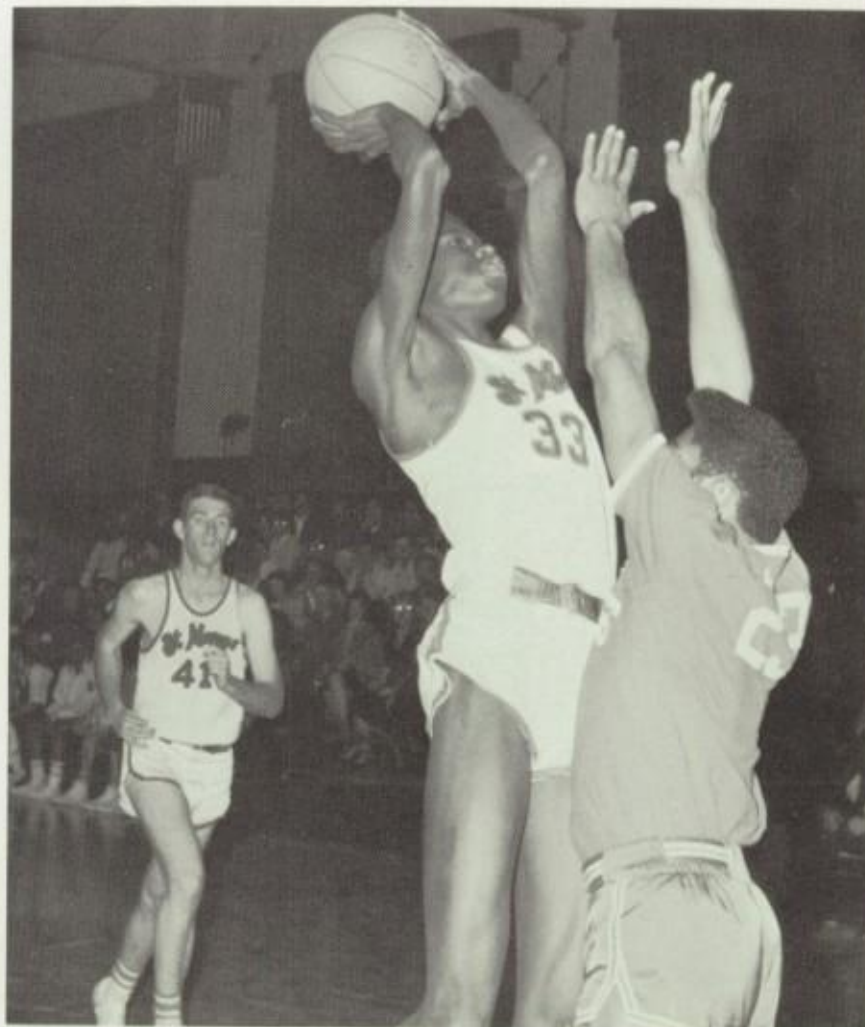

After the loss to St. Elizabeth's, now making the Panthers 3-2, the team was down for the game against St. Joseph's. At halftime the Panthers found themselves down 28-22. The second half proved to be one of the most action-packed since the O'Dowd game. Defense was the call for the game and the low score shows this. The Panthers did well from the line but were held from the floor. However with :28 remaining on the clock Johnny Burks hit a jump shot to give the Panthers a 41-40 lead. The Pilots then brought the ball down court and, with :05 showing, took a shot that fell short. But Vinito, the Pilots superstar, made an impossible tip-in with only one second remaining, giving the Pilots a 42-41 victory. Burks had 12, Larkin had 10 and Winston Owens, playing well in the clutch, had 9.

Playing their last game of the regular season the Panthers took on first place St. Joseph's. The Panthers now confident after their decisive victory over the Mustangs, were out to avenge the one point loss of the first game. The game proved to be the most exciting of the whole season, with a halftime score showing a 26-25 Pilot advantage. The Panthers, having an excellent night stopped the Pilots cold. The Pilots tried to rally in the fourth quarter but the Panthers were not to be denied victory this time. The final score was 51-47. Pete Kelly had 15 and Newell had 12.

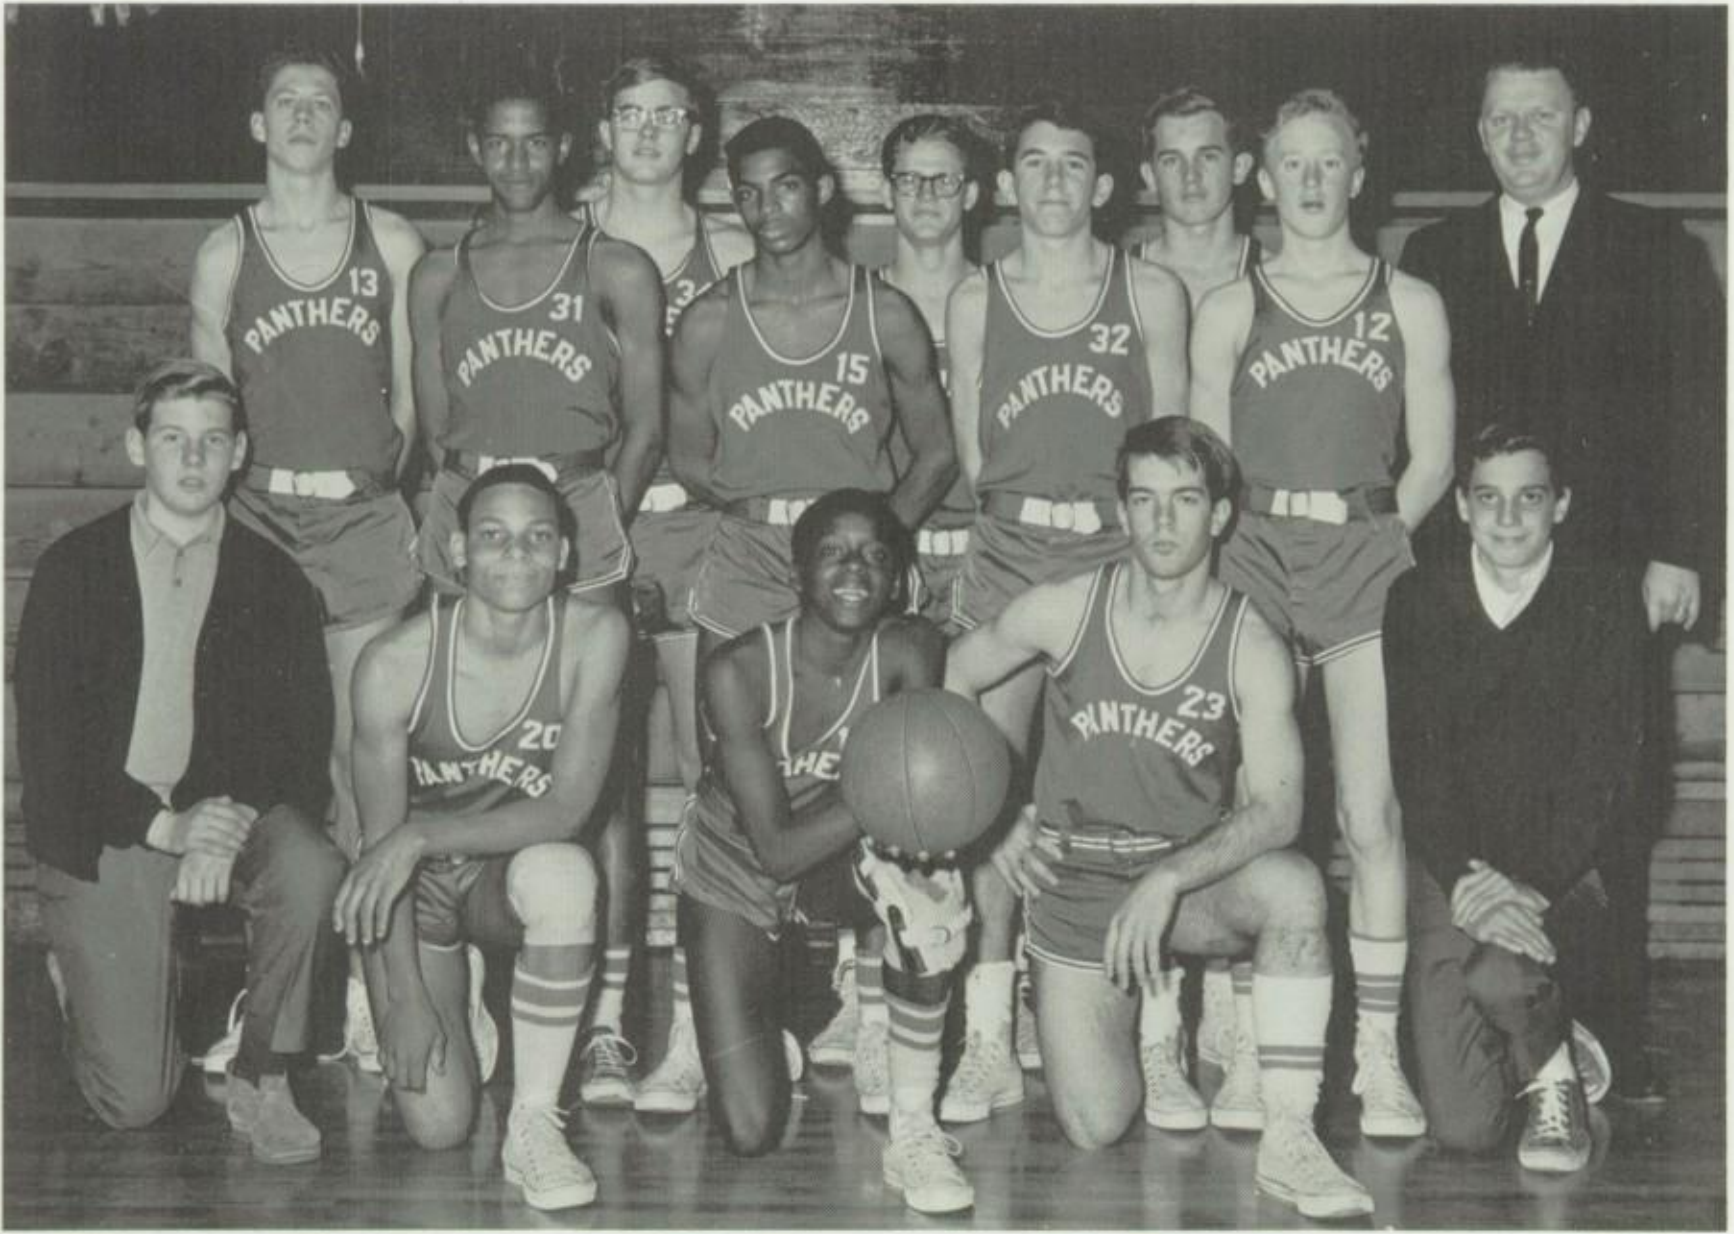

Roger Newell gets two on an easy lay-up

Junior Varsity

The Junior Varsity basketball team, under the direction of Coach Bob Anderson piled up a sizeable number of wins to be near the top all season. With several close games, both wins and losses, the season was one of the best in Junior Varsity ball for St. Mary's.

One of the hardest fought games was played against Bishop O'Dowd on January 12, 1968. Although the Panthers lost the game 39-32, Coach Anderson considered it one of the best. Bob Kirby was high point man with Rich Smothers playing a great game under

the basket. The whole team seemed inspired and although outmanned came close to beating the top team in the league.

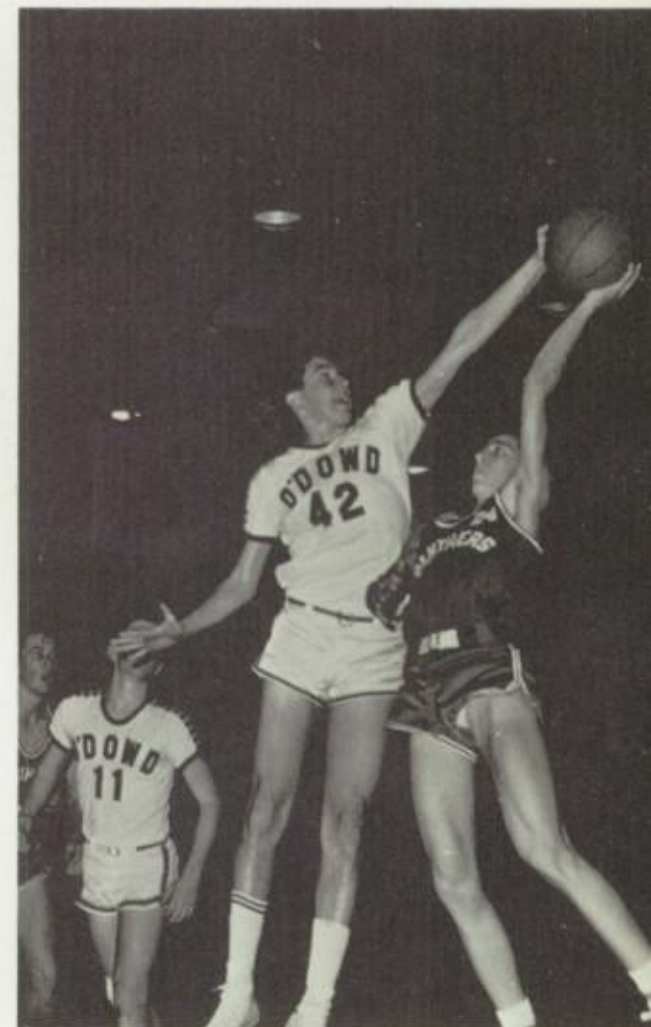

On January 20th, the Junior Varsity played St. Elizabeth's at home. Before a large crowd, the Panthers again came very close to beating a top team. The Panthers seemed eager to win and although losing by only 3 points, they played very well. High point man was Mike Eggering with 11 points. The season's most consistent players were Rich Smothers and Maurice Harper.

Bob Kirby Up for 2 against De La Salle.

1968 Frosh Basketball Action

The 1968 Frosh basketball team had a fine year with such stars as Walter Taylor, who made All-League, and Rudy Ochoa, who received honorable mention. Also a big help were Randy DeCamanada and Eddy Flowers. The team continually showed spirit and determination in their games. Although they didn't win the league they always looked like champions. Coach Ken Raphael did a fine job in teaching the boys the fundamentals of dribbling, shooting, but most important, the ability to work as a team.

Although this year's Varsity Baseball team will not start until the yearbook has gone to press, the team has the potential of champions. Returning from last year are varsity lettermen Roger Newell, Ken Dern, Winston Owens, Jeff Gray, and Ken Bell. Roger Newell and Winston Owens, expected to again make All-league, make the perfect battery, with Newell back in his no-hitter form and Owens with his deadly peg to second. Ken Dern, after his eight strike-out performance against Livermore is another pitching ace to reckon with. Strong hitters Tony Magurno and Jerry

Pieroni promise to keep the team average high. In the infield Bob McGuinness, Mike Kistner, Rich Wilson, Charly Thorn, and Pieroni, will keep the defensive game strong. Russ Morales, Jeff Gray, and Magurno will handle the outfield. A terror on the bases will be Ray Shannon, a senior speed-demon. Ron Risi, Mark Welsh, and Steve Fahey round out the Panther attack. Coach Isola says "With good defense and smart baserunning the '68 Varsity has a chance to be title contenders. We have great pitching and catching and must play errorless ball to win."

Track 1968

Paced by the endurance of Rick Swenson and the speed of Paul Guillory, St. Mary's track squad will open their season March 7, against Riordan. The Panthers sparkling duo heads a list of performers of promising merit at Peralta Park. Swenson, the Northern California "Man of the Year" in cross country and Guillory, whose sprint times of 9.6 and 21.7 as a junior hinted of even better things to come, should have support. Among lesser known at S. M. are: Mike Brannon, a 9.9 sprinter, Walt Morris, who'll run the quarter mile and try to better his 21-foot long jump and 880 men Reed Baden and Dan Curry.

Golf Team

Mr. John Filipelli, moderator of our 1968 Golf team is looking for a successful season this spring. Since we lacked a team last year there is no record of team achievement but Mr. Filipelli is expecting a strong showing with a largely upper division team. Seniors Terry Grasso, Chris Donnelly, Bill Dobert, and Juniors Bob Pohl, Stu Watson, Pat Stevens have personal experience, and there is also promise in the lower division members of the team: Sophomore Bill Caya, and Freshmen Dick Coughlin, Gary Ong, John Griffin, and Digby Morrow.

Bob Pohl points out the good technique of Terry Grasso to Bill Dobert, Stu Watson, and Chris Donnelly.

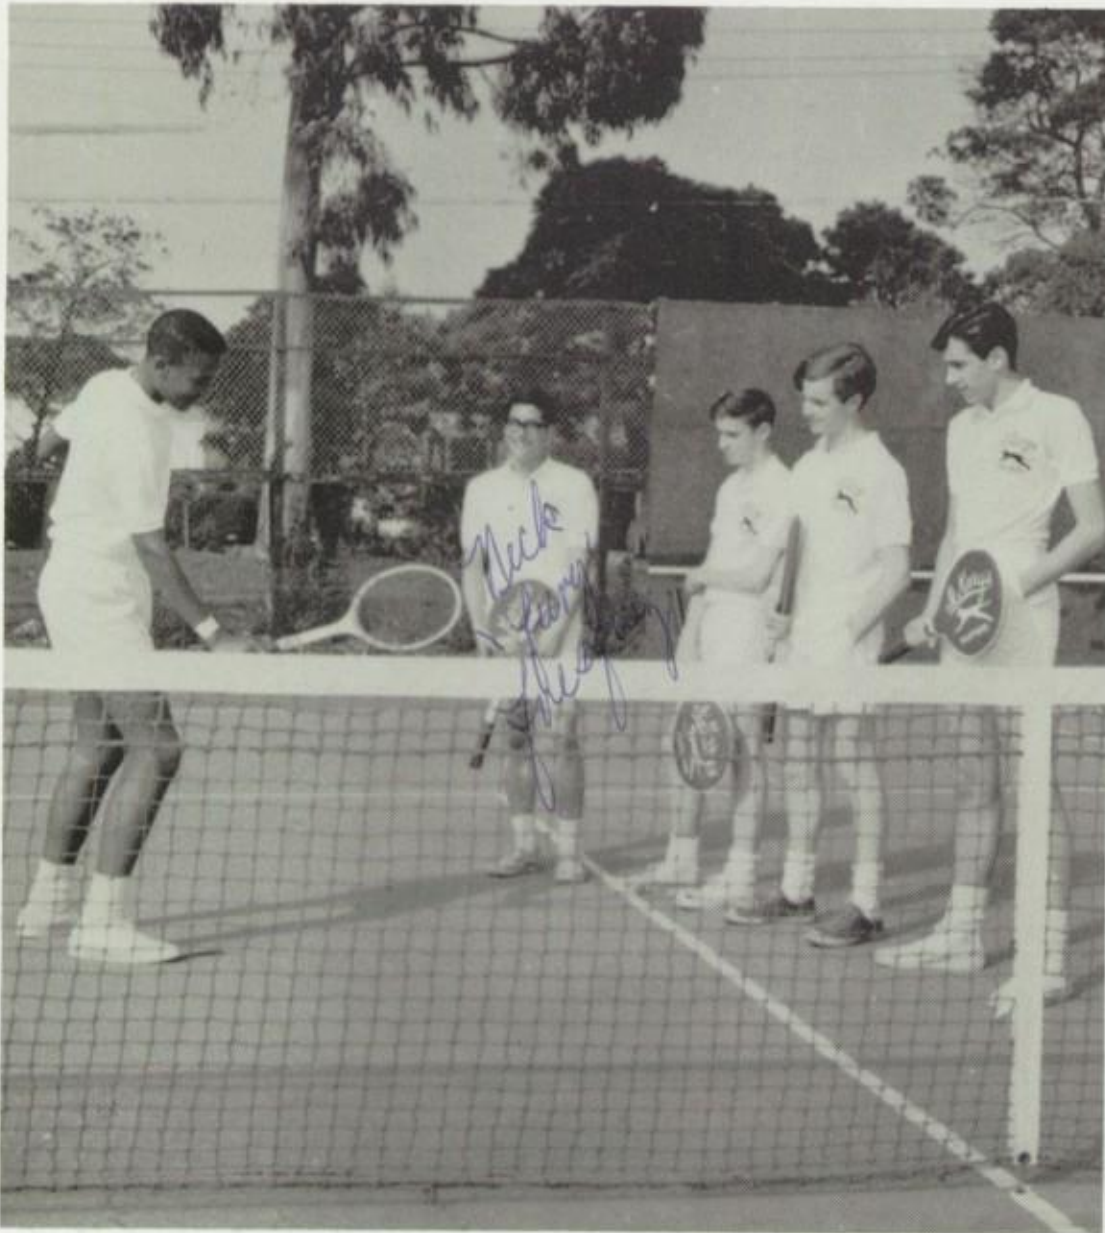

Mr. John Filipelli, moderator of the Golf team, demonstrates the proper putting stance to Pat Stevens and Bill Caya.

Freshman members of the Golf team are l. to r. Dick Coughlin, John Griffin, Gary Ong, and Digby Morrow.

Tennis Team

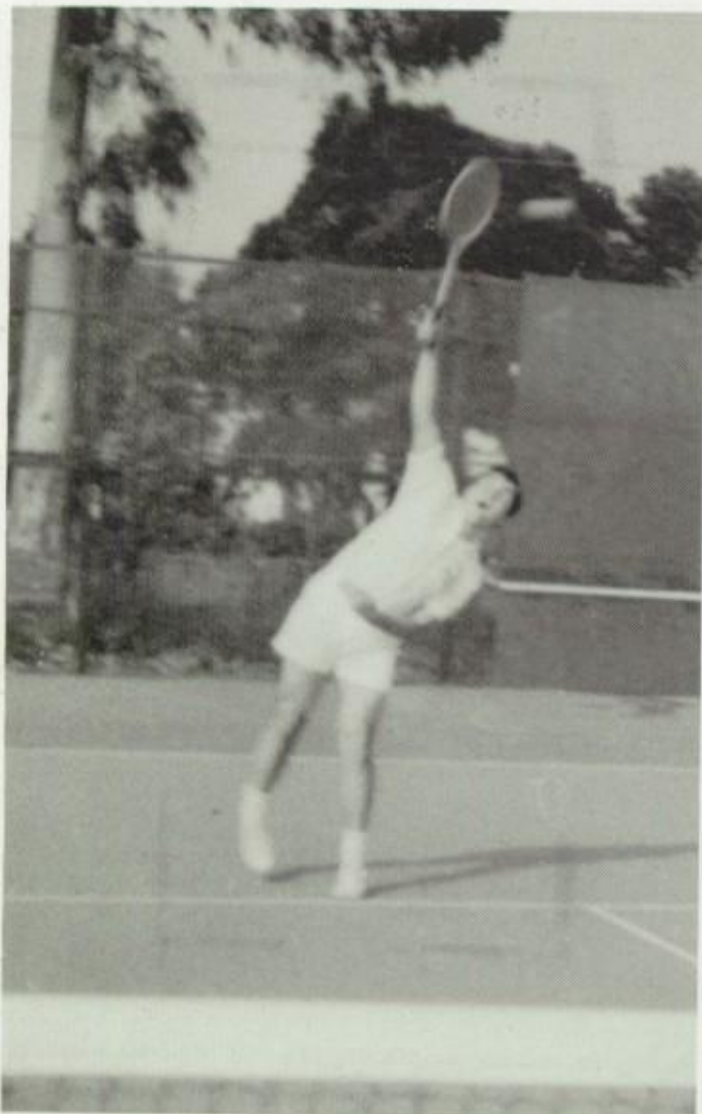

The 1968 Tennis Team is reported to be very strong with five members of last year's winning team returning: Seniors Andy Kaczynski, Kevin Hagerty, Oscar Gooch, Nick Fresquez and sophomore Ted Turner. Supporting this already overwhelming team are juniors Rick Curotto, Dan Donovan and Mike Ong sophomores Steve Hewitt, Alex Hong, and Matt Ivary, and freshmen Tim Turner, Gary Lamberti, and Sean Kil-ean. Brother Jude Fabiano, Moderator, expects a good year from his beginning netmen and even better one from his returning lettermen.

Oscar Gooch shows Nick Fresquez, Dan Donavan, Theron Turner and Rich Currotto the correct grip.

Kaczynski during practice

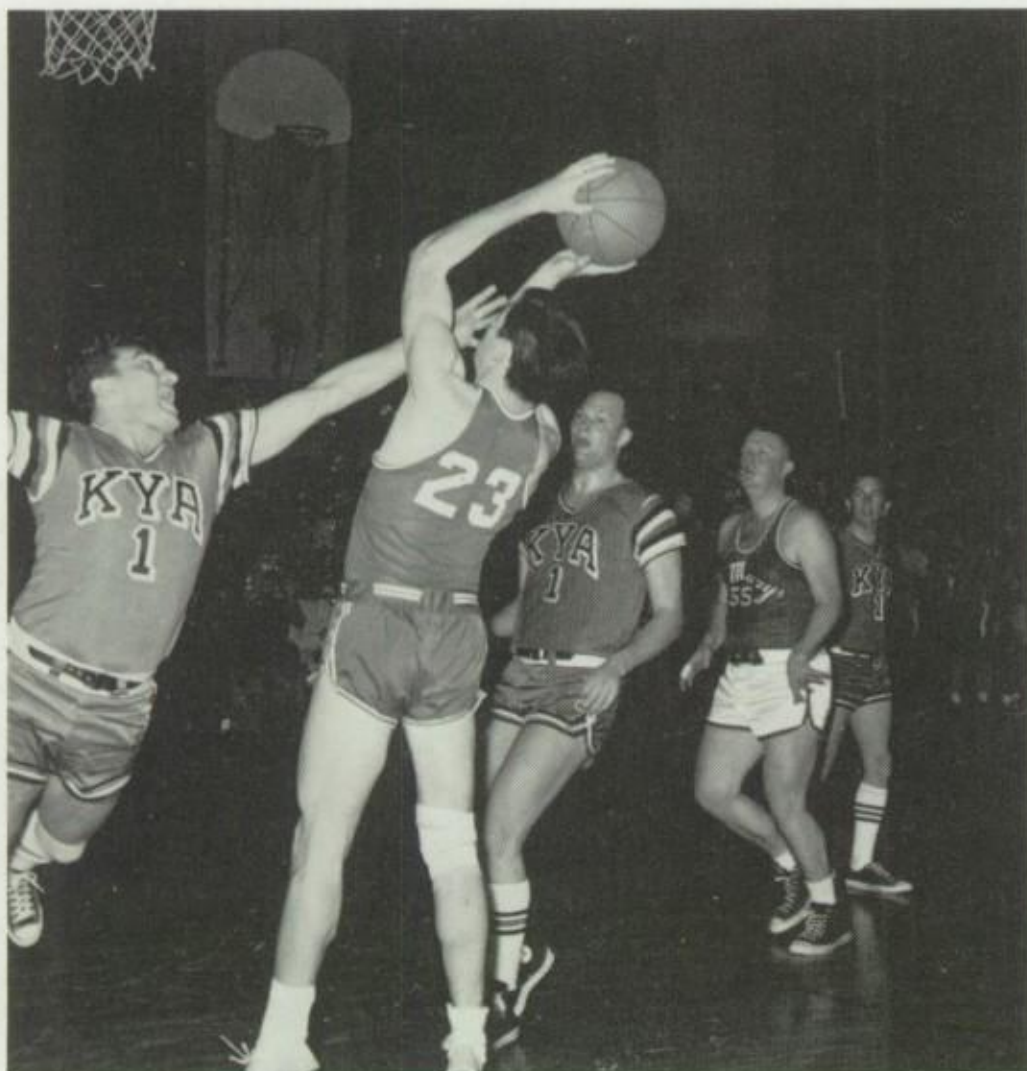

Kevin Hagerty delivers a serve during a practice session.

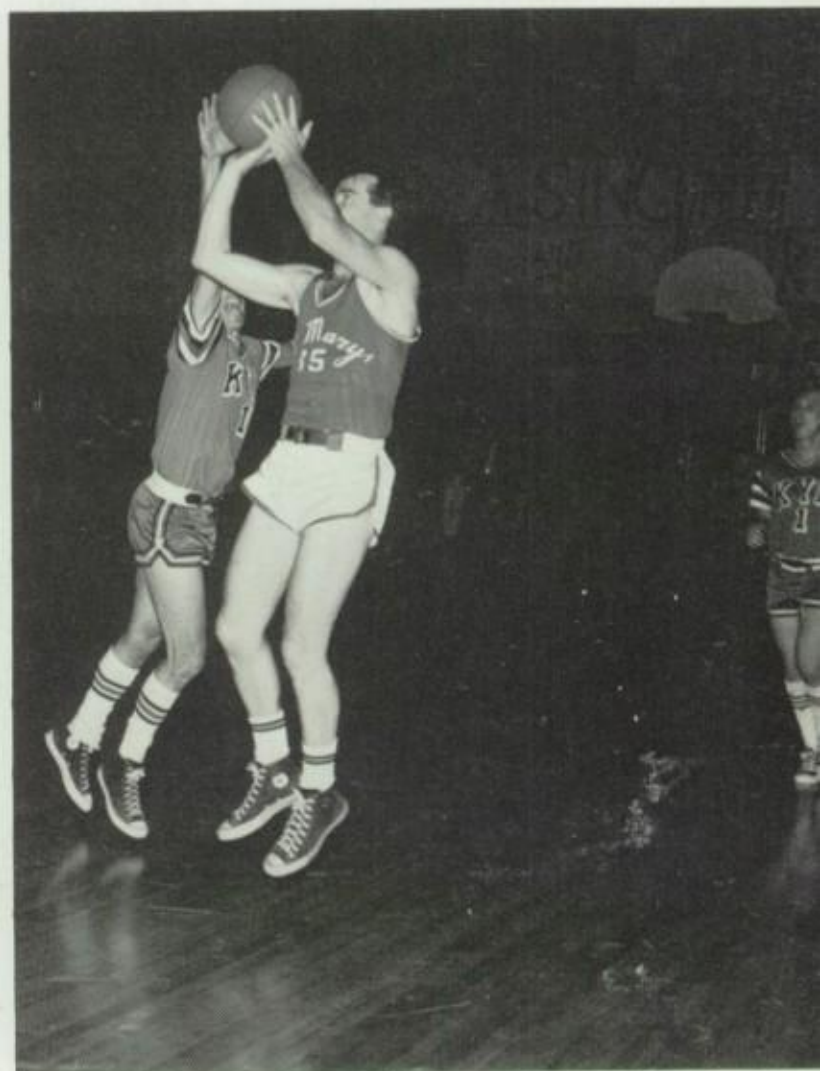

Alex Hong, Steve Hewitt, and Matt Ivary listen while moderator Bro. Jude talks about an upcoming meet.

KYA Oneders—Saint Mary's Faculty

2/5/68. This date, written on every available wall in the school, marked the first Faculty-KYA game in the history of Saint Mary's. Playing for the Faculty, under the guidance of player-coach Hugh Louderback, were teachers, Bob Anderson, Al Isola, Dennis Koller, and Mark Moyer. Aiding the Faculty were Alumnists Marc Jamison, Dan Ready, and Jim Kellum. The Oneders, sporting a 19-1 record, boasted such stars as Don Delbon, Johnny Holiday, Ray Novitsky, Bob Myers, Wayne Kasher, and Dave Sgro. The Faculty played a tough first half and found themselves down by only two points. However the Oneders exploded for 35 points in the third quarter and went on to win 71-52. High for the Faculty was Al Isola with 18. Hugh Louderback had 12 and Jim Kellum had 8. The Senior would like to extend its thanks to all players and to all those who attended.

Mark Moyer goes for two while Mr. Anderson looks on.

Player-coach Hugh Louderback sets a jump shot against a tough KYA defense.

Band Concert

This year, under the direction of band director Bobby N. Barrett the St. Mary's band presented **Sounds and Moods**. The concert band played classical works and the newly formed dance band played a lively array of popular tunes. Special guest Mr. Gerald Rice played a selection from the operetta **Carmen** and **Flight of the Bumble Bee**. Mr. Rice most recently appeared with the University of California and Merrit College Orchestras. He was accompanied by Mrs. Marie Milmore. The performances of the dance and concert band were most enjoyable and it is hoped that Mr. Barrett will make this an annual event on campus.

Harry Lane does a solo on piano.

Our Appreciation:

- To Brother Mel Anderson and the Faculty for their considerate co-operation and support;
- To Joe O'Gorman for his skillful photography and unfailing service;
- To Mr. Jim Howell, American Yearbook representative, for his assistance; and promotion in the development of the '68 Peraltan;
- To the Staff for a year of perseverance and diligent effort;
- To the Advertisers and Patrons for their generous contributions;
- To those students who made efforts in financial support;
- To Brother Jude for his unfaltering devotion and guidance throughout the year as Peraltan moderator;

We the Editors, thank you.
